

SAMPLE BUSINESS DOCUMENT

Scanned Page 1 of 2

Company Overview

This is a sample scanned PDF created for OCR testing.
The document contains ordinary business information
with headings, paragraphs, and a small table.

Project Information

Project Name: Corporate Intelligence POC
Document Type: Sample scanned source
Status: Development
Prepared for: OCR and document extraction testing

Notes

Scanned documents may contain skew, noise, faint text,
and imperfect characters. OCR systems must recover the
underlying text while preserving useful structure.
