

Regional Breakdown

The table below breaks down active users by region for the most recent month. North America and Europe together account for the majority of the user base.

Region	Active Users	% of Total	MoM Change
North America	84,200	40%	+6%
Europe	63,500	30%	+4%
Asia Pacific	42,000	20%	+9%
Rest of World	21,000	10%	+2%

Asia Pacific showed the fastest month-over-month growth at 9%, suggesting continued investment in that region is likely to pay off over the next two quarters.
